Panel to review charter, suggest changes

JAMIE STEWART
The Shafter Press

The committee appointed by the City Council to review the city's charter and make recommendations on changes has begun its work.

The City of Shafter became a charter city in 1995, with the charter adopted soon after. Charter cities are now required to form committees to review their charters. There are currently about 125 charter cities in California, with the only two in Kern

SHAFTER

County being Shafter and Bakersfield. Some of those cities are Irvine, San Bernardino, Santa Rosa, Fresno, Palmdale and Lancaster.

The Shafter panel includes Dennis Atkinson, Cynthia Marquez, Susie Harmer, Gerard Loaiza and Chris Dozlier. They met on Monday night, approving the rules and duties that they will be responsible for during this review period.

The committee will have meetings, training sessions, and research and discuss elements of the charter that they may want to change, and then will complete a charter amendment proposal and file a report with the city clerk before the deadline of June 30.

The committee will avoid proposing changes that are "matters of statewide concern, which are educational systems, regulations of traffic and vehicles, franchises for telephone lines, licensing of members

of a trade or profession, tort claims against a government entity, and the Ralph Brown Act," according to the council's guidance and state law.

They will be encouraged to research and consider changes within the authority of the charter, solely related to municipal affairs. Items that will be researched and discussed are regulations regarding municipal elections, methods of enacting local ordinance, compensation of

the Shafter High Drama Department, with the accompaniment of the SHS Band, performs the Broadway hit "The Drowsy Chaperone" this weekend.

The parody of American musical comedy of the 1920s concerns a middle-aged asocial musical theater fan, played by Matthew Penner. As he plays the record of his favorite musical, the show comes to life on-stage, as he wryly comments on the music, story and actors. Shafter drama teacher and Bakersfield Ovation

competition in Bakersfield. After the first few competitions, the judges moved them up to compete in the high school regional novice division. They competed against several high school groups from the surrounding Kern County areas.

At the PPAACC finals, the Wasco Color Guard beat out all of the other high school teams and earned first place gold medals. "They have worked so hard this entire school year and have shown tremendous dedication and commitment to the sport. We are all very proud of them," said Color Guard coach Brianna Patterson.

The girls were excited about their win and their opportunity to represent their hometown of Wasco. They dedicated their performances and accomplishments to all of their loved ones, especially to the ones they lost in recent years.

"It has been an inspiring season, and the girls' hard work has paid off," Patterson said.

The proud recipients of the first place title were Alessandra Garcia, Stephani Ruiz, Sheyla Marquez, Delilah Torres, Dalia Garcia, Camila Garcia, Andrea Miranda, Samantha Castillo, Melany Garcia and Yariya Reyes.

Daddy Daughter Dance a magical night to remember

VERONICA JACUINDE

The Orange Heart Foundation will host its annual Daddy Daughter Dance on Friday, May 13, at Palm Avenue Middle School from 6 to 8 p.m.

This is an event for dads and father figures to spend a memorable evening with

their daughter(s). All father figures are welcome, including stepfathers, grandfathers, uncles, brothers, foster fathers and other significant male role models.

The main objective of the evening is to strengthen the relationship between fathers and daughters. It is meant to inspire fathers and father figures to take a more active role in developing the girls and women in their lives.

"Ultimately, our goal is to raise strong girls and give them a chance to enjoy their own unique night," said Traci Mills Clendenen of the Orange Heart Foundation.

Studies have shown that fatherless children are at a dramatically greater risk of drug and alcohol abuse and are twice as likely to drop out of school. Fathers and positive male influences are the leading factors in children's positive social behavior.

"This is an amazing occasion for girls to make beautiful memories with their dads. You can't imagine the happiness you see in their faces when they walk in," said Clendenen.

Daddys and daughters danced all evening at the 2019 event.

denen.

"We have brothers that bring their little sisters. It is open to all ages. In the past, there have been almost 150 people attending. It is something that girls look forward to year after year."

The theme will be "To the Moon and Back." There will be music compliments of DJ Los Gorditos, and light refreshments and snacks will be served. The Wasco Rose Queen, Ixtchel Sanchez, will also join.

The Orange Heart Foundation is a non-profit organization launched in 2015 with the mission to help build a better Wasco. Founders Clendenen, Ruvi Ocampo and Orquidea Ocampo dedicate their time to empowering and improving the quality of life for the residents of Wasco.

"With this festive event, our goal is to

bring the community together in celebration with dancing and lots of fun," said Ocampo. "It is so rewarding to see grown men bond and build special moments. We hope that it will change both dad and daughter for a lifetime."

It takes a lot of time and hard work to plan these events.

"It is all worth it when you see the smiles on their faces and [the girls and dads] having a good time. I love seeing people happy," said Clendenen.

"I feel like with event after event, we are building a reputation that we really want to do good for our city," said Ocampo.

Tickets are \$10 per person and can be purchased online at Eventbrite or Venmo @orangeheartfdn. For more information, call 661-717-5783.

Theater artistic director Hal Friedman will direct the play.

David Bloemhof IV plays the groom and his bride-to-be is portrayed by Emily McGuire. The production will be presented at the Fred Starrh Performing Arts Center at Shafter High School on Thursday, Friday and Saturday nights, beginning at 6 p.m.

Bloemhof is a familiar face to Shafter theatergoers, with his roles in several productions put on by the Drama Club, the Shafter Childrens Theater and the Shafter Young Adult Theater. Recently, he was in the smash-hit "Newsies" that played at the Ford Theater.

Bloemhof said that he began acting at about 7 years old. "It started out with my mom encouraging me to participate, exposing me to the arts. It ended up being a love

affair with music and the theater that I have today."

Bloemhof also plays the piano, bass and a couple of other instruments, in addition to his acting. He had to learn to dance for the Newsies production in a role that required the skill.

Another veteran of the boards is Laura Neufeld, who plays the title character in the production. Neufeld also has been in sev-

eral local productions at the Ford Theater.

Some of the other cast members are Adan Vargas as the Underling, a pair of gangsters posing as pastry chefs played by Jonathan Valenzuela and Andrew Magana, and Nicole Morris as Trix the Aviatrix. Morris, who was Shafter's Distinguished Young Woman last year, is also an acting veteran, performing in several plays.

Director Friedman said that the difference between working at the Ovation Theater and Shafter High is that at the Ovation, a lot of the players have quite a bit of experience, with a variety of players at the high school level. "We have several actors with a lot of experience, some with a little, and some of the group have not had any acting experience before joining the department," said Friedman. "At the high school, it is more of an educational experience, with the students learning how to act, as well as how to emote in different ways."

Experience in the drama department can also help students in many facets of their lives. "The theater has taught me how to deal with emotions, and it is great in learning how to express emotions, as well as recognizing emotions in others," said Bloemhof.

Richland student places in county competition

JAMIE STEWART
The Shafter Press

Marlene Ayon, a seventh grade Richland Trojan, was recognized recently for placing in a countywide competition, Battle of the Books, which sets students against each other in testing knowledge of books that were placed on a reading list of 28 books.

SHAFTER

Ayon, in four rounds of competition, placed in two of the four rounds.

In Round 2, Ayon placed second in her division, behind only a student from Warren Junior High. In the fourth and final round, Marlene took first place, beating a student

from Warren and from Tevis Junior High.

Battle of the Books began in the 1990s, and now has over 1,700 students participating. The competition encourages students to read literary sound books and compete against fellow students while having fun doing it.

The competition exposes students to different authors and genres that they may not

read if not given the incentive.

Richland Superintendent Rosa Romero said that the district is very proud of Ayon and congratulates her on all of her hard work and determination to learn. Ayon received a certificate and a medal for her outstanding performances.

Montgomery Insurance: to protect and to serve

VERONICA JACUINDE
Wasco Tribune

Montgomery Insurance has been a staple in the community since 1977, where they have provided high-quality service and exceptional knowledge of the industry. With competitive rates and superior products, they offer protection of their clients most important assets.

The company is owned and was founded by Wayne and Sally Montgomery.

Mr. Montgomery never considered entering the insurance business before college.

He graduated with a master's degree in education and psychology from Cal State Bakersfield, when a headhunter approached him.

"I resisted at first, but then they made me an offer I couldn't resist. I agreed to a 180-day trial period to see if I liked it, and sure enough, I was hooked," said Montgomery.

From that point on, he has had an illustrious career.

In his second year, Montgomery qualified for the Million Dollar Round Table, a club of elite professional insurance agents. In his third year, he was recognized as the number one agent in the nation.

"My picture was up for a couple of years

WASCO

at Travelers Square in Hartford, Connecticut."

He first opened an office in Bakersfield and then launched his business in Wasco.

In 2006, his son took over the Bakersfield location.

Along with his wife, Sally, he has been exclusively running the Wasco branch.

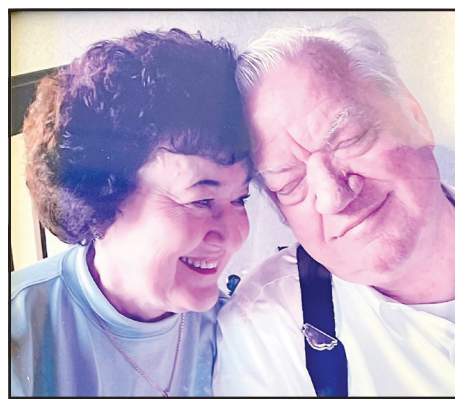

"Even though I was unsure about embarking on a career in the industry, it has been very rewarding for myself and my family."

His team includes several licensed agents and an office manager, Alicia Hinojosa, who has been with him for more than 20 years. The staff has over 200 years of combined experience.

They handle all types of insurance, including life, health, home and auto. In addition, they provide coverage for bonds, commercial businesses, farms and special events.

"Basically, anything that can be insured, we can insure," Montgomery said.

They are a complete insurance brokerage firm that writes policies for multiple companies.

Sally and Wayne Montgomery pride themselves in providing the best protection.

"We find the most economical and best security to fit individual needs. The goal is to make certain people are protected with the lowest prices."

Discounts are available to nurses, teachers and those with good driving records and multiple policies.

The office is bilingual.

"In this town, you have to be, or you wouldn't survive."

Wasco has been Mr. Montgomery's home for 62 years, and wanting to stay lo-

cal was a factor in his decision to open his business here.

He has played an integral role in the community in various capacities.

"Mr. Montgomery is very generous with his time and resources," Hinojosa said.

Dating back to 1960, he and his wife have been pastors at the Christ Community Church.

Over the years, the company has championed many different causes, donating to various Little League sport teams and cancer awareness, to name a few.

Wayne Montgomery was a Wasco Union High School board member for 26 years and was also on the Wasco State Prison board for 25 years, where he helped them find their current location.

With this commitment to being of service, he brings the same level of passion to his clients.

"As long as people are happy with us, we will continue to care for them as we have for the last 45 years."

Montgomery Insurance is located at 456 E St. They are open Monday through Friday from 9 a.m. to 5 p.m. For more information, call 661-758-6478 or 661-399-8558 or email mia56@bak.rr.com.

Spring fling in the Barker Park

VERONICA JACUINDE

The Wasco Recreation and Parks District held their 2nd annual Prima Vera in the Park. It was a lively springtime afternoon with lots of fun for the entire family.

"This was a great spring event for the community and a chance for people to get out and experience the nice weather before it gets too hot," said Program Coordinator Juan Bernal.

There was a variety of food, such as fish

and chips, kettle corn, hot links, specialty baked potatoes, desserts, Latino-inspired dishes and refreshing drinks.

"The food was delicious and hit the spot," said volunteer Shawn Reynolds.

DJ Al Serna kept the mood energetic with both popular songs in English and Spanish.

"It was awesome, and the best part was dancing," said 8-year-old Alexzander Guevara.

Booths such as the City of Wasco and local businesses were on hand to share information and promote various missions.

"This was an exceptional platform for us to educate residents about water conservation," said Cesar Montes of the Wasco Water Department.

Attendees participated in interactive activities like volleyball, corn hole and bocci.

In particular, the event was intended to support local small businesses with a pop-up sale in which many different vendors sold an array of original and one-of-a-kind items.

There was a small fee for them to participate, and all of the money raised will fund the upcoming 4th of July community fireworks festival on July 2.

"It is one of the many traditions that make Wasco a delightful place to live and work," said Bernal. "We need the resources and partnerships to ensure the fireworks

show lives on for generations to come."

"It was a way to get people involved and get to know us better while helping local vendors and raising money for the 4th of July event," said Mayra Medina.

The turnout was impressive, and guests enjoyed themselves.

"I think it was a wonderful day for residents to celebrate prima vera. It was well attended, and it was perfect," said Mayor Gilberto Reyna. "I would like to see more of these events."

It was a family affair and a way to get the community together.

"I brought my kids and a couple of friends. I came last year and this time around it was bigger and better. Next year, I'm looking forward to making it an annual family occasion," said Angie Aguilar.

Erica Ramirez came with her husband and daughter.

"Today, I liked spending time with them. It was special because it took place here in my hometown," said Ramirez.

Get rid of your trash; pickup available Saturday

The City of Wasco's Code Compliance, American Refuse, local groups and businesses are partnering to keep Wasco beautiful and free of unwanted trash.

On Saturday, May 14, from 9 a.m. to 12 p.m. at Barker Park, there will be a Community Clean-Up event for Wasco residents to drop off bulky waste items at no cost.

This event will combine drop-off, pickup and volunteerism.

For drop-offs, you can bring in your old furniture, home appliances, TVs, mattresses, e-waste and water heaters. There will be large bins for this collection provided by American Refuse.

The pickup component is for people that do not have a way to transport their bulky waste. Schedule an appointment, and a truck and trailer will be sent to your home to retrieve trash items from your driveway or alley.

"In this way, it is convenient and accessible for people, so we don't see an uptick in illegal dumping," said Wasco Code Enforcement Officer Sergio Gonzalez, Jr.

It is also an opportunity for residents to volunteer and contribute to their community.

"We rely heavily on the support of volunteers to make our event a success," said Gonzalez. "Nonprofits, middle and high schools, and other local groups participate in our clean-up efforts."

Volunteers will be going through alleys and parks to pick up litter.

pate. Minors must have a permission slip signed and be accompanied by an adult.

"This event will benefit the city and is a great fun way to come together with neighbors and friends and make a difference," said Wasco Community Development Director Keri Cobb.

"No one wants to see trash in their streets. We all live here, so why not have pride, help keep Wasco clean, tidy, safe, and sanitary and present a better image to our visitors."

"Our goal with this is to contribute to a better quality of life for our residents," said Gonzalez. "As with most cities, illegal dumping is a problem."

"People tend to get lazy and don't want to take their garbage to the dump," said Gonzalez. "We see this all over town, especially with alleys where people leave their trash and take off."

Laws are written if there is trash with an address associated with it; you are held liable and can be cited.

"Property owners are responsible for keeping their areas behind and in front of their homes free of debris," said Cobb.

The clean-up day used to be a bi-annual event, but because of the pandemic, one has not been hosted since 2019, when almost 8 tons of discarded items were collected.

"In the past, we would do a spring and fall event. We are excited and happy to resume this year once again," said Gonzalez.

The community is also invited to organize their own neighborhood clean-ups, and supplies like gloves, trash bags, vests and handheld trash grabbers will be provided.

To schedule a curbside pickup, call Code Compliance at 661-758-7216 or 661-758-7213. This service is open only to the first 30 residents who register by May 12 at 5 p.m. For information on volunteering or launching your own event, contact Code Compliance.

Taco Thursday at Basham & Lara

Basham & Lara Funeral Care recognized the Cinco de Mayo holiday on Thursday when they gave away tacos to the community, offering them to those visiting their facility.

The Basham & Lara family have been involved in the community since they came to Shafter just a few years ago. They celebrated with the city of Shafter Saturday

when they entered a beautiful Harley-drawn hearse with a clear glass case in the Cinco de Mayo parade.

On Thursday, they had Leonor's Tacos on site to prepare three kinds of tacos.

Their renovated reception area, once the site of Grady's Lounge, was filled with diners celebrating with the Lara Brothers, Kevin and Yeobani.

PASTORS CORNER

A future and a hope

PASTORS JOSE AND BEVERLY PARRELLO

Home Fellowship Church, Shafter

It feels like we just move from one crisis to another these days, doesn't it? For the record, that feeling increases if you regularly watch the news on television. Remember, news programs get more viewers and sell more advertising when there is "major news," or in other words, some kind of "crisis." So, be aware that every news organization loves a crisis and is willing to exaggerate everyday problems or situations to create them daily.

The problem is that all this media-crisis surfing, on top of the daily struggles of life, has a lot of people stressed out, exhausted and maybe even depressed. As a result, we really do have a mental-health crisis, perhaps even more so among our kids, teens and young adults.

These recent generations have been fed

a steady diet of depressing and hope-zapping "news" that tells them things are only going to get worse in their future; economically, environmentally, and even personally. Even worse, they've been taught that there is no absolute truth to believe in. They are "free" to think and believe however they want; unfortunately, it leaves them anchorless, free-floating in non-stop insecurity and angst. And if, as they've been told, there is no loving God who truly sees them and loves them just as they are, then the non-stop ugliness on social media is the only mirror they have, giving them a twisted and negative sense of their own worth.

So we owe them some good news!

Jesus offers us some in John 16:33, *"I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."*

Jesus told the truth about life; he was no

politician, telling people what they wanted to hear. He said, you're going to have trouble. The truth is that life has never been easy in any generation. Easy isn't the goal. And trouble and hard times don't eliminate joy or meaning in life, in fact, they tend to enhance both. By the way, the fact that Jesus and the Bible never hide from hard truths is exactly what make them trustworthy.

Second, He offers peace *in* our troubles. In the passage that precedes this verse, he's giving his disciples a heads up about the fact that things will get harder for them very shortly. He doesn't warn them to scare them or to get their attention, but to let them know that He can give them a sense of calm, of true peace even while they are going through hard times. It isn't the "head-in-the-sand" pseudo-peace of denial, pretending everything is okay. It is the peace of a little girl sleeping peacefully through a scary storm in a father's arms; the storm is real, but she

trusts her father to keep her safe.

Finally, He promises victory in the end.

He already won the battle against hate and lies and sin. He overcame, so we can have hope... hope for joy and peace even in the middle of the struggles of this life... and hope for an eternity joyfully spent at His side free of crises, pain, shame and disappointment.

Every generation, not just the younger ones, needs to hear again, the promise of Jeremiah 29:11, *"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."* There is still a hope and a future before each of us and to get in on those plans, we just need to do what it says in the next two verses.

"Then you will call on me and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart." (Jeremiah 29:12-13)

You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to

the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call 833-561-0243 for information regarding the trustee's sale or visit this Internet Web site WWW.SALES.BDFGROUP.COM for information regarding the sale of this property, using the file number assigned to this case 00000009319252. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. NOTICE TO TENANT: You may have a right to purchase this property after the trustee auction pursuant to Section 2924m of the California Civil Code. If you are an "eligible tenant buyer," you can purchase the property if you match the last and highest bid placed at the trustee auction. If you are an "eligible bidder," you may be able to purchase the property if you exceed the last and highest bid placed at the trustee auction. There are three steps to exercising this right of purchase. First, 48 hours after the date of the trustee sale, you can call 833-561-0243, or visit this internet website WWW.SALES.BDFGROUP.COM using the file number assigned to this case 00000009319252 to find the date on which the trustee's sale was held, the amount of the last and highest bid, and the address of the trustee. Second, you must send a written notice of intent to place a bid so that the trustee receives it no more than 15 days after the trustee's sale. Third, you must submit a bid so that the trustee receives it no more than 45 days after the trustee's sale. If you think you may qualify as an "eligible tenant buyer" or "eligible bidder," you should consider contacting an attorney or appropriate real estate professional immediately for advice regarding this potential right to purchase. NOTICE OF HEARING AND SUMMARY OF PROPOSED ORDINANCE
SOLID WASTE ADMINISTRATION FEE FOR FISCAL YEAR 2022-2023
On the 28th day of June, 2022, at the hour of 2:00 p.m., in the Chambers of the Board of Supervisors of the County of Kern, in the Kern County Administrative Center, located at 1115 Truxtun Avenue, Bakersfield, California, a Public Hearing will be conducted to consider the enactment of, and hear any objections to, an Ordinance establishing the Solid Waste Administration Fee for Fiscal Year 2022-2023 for all residential and non-residential property in Unincorporated Kern County that subscribes to the service of a Franchise Hauler. This Ordinance will establish a fee for residential property located in a Universal Collection Area (excepting an Alternate Universal Collection Area), on a residential living unit basis, which will be collected along with the County's property taxes and will become a lien on the property, if unpaid. This Ordinance also establishes that the same fee will be paid on a residential living unit basis for all residential properties that are not located in a Universal Collection Area that subscribe to the services of a franchise hauler. This Ordinance further establishes that the same fee will be paid on a non-residential (commercial) unit basis (as defined in Kern Code Ordinance Code 5.36.055) for non-residential properties that subscribe to the services of a franchise hauler. The Board of Supervisors will also consider a report filed by the Public Works Department that describes the amount of the proposed fee for each

franchise hauler unit should the proposed Ordinance be enacted, and the report approved. In accordance with this report, the Solid Waste Administration Fee will increase from \$0.40 per unit (including residential and non-residential units) per month to \$1.00 per unit (including residential and non-residential units) per month for Fiscal Year 2022-2023. The fee for waste generated on non-Universal Collection Area residential and non-residential properties that subscribe to the services of a franchise hauler will not be collected on the tax roll but instead, will be invoiced to the franchise hauler by the Public Works Department.
Any affected person may submit written protests to the report or the enactment of the proposed tax roll billing. Written protests must be signed by the objecting party, indicate the subject property and be delivered to the Clerk of the Board of Supervisors prior to the conclusion of the public hearing.

Upon the conclusion of the hearing, the Board of Supervisors may adopt, revise, change, reduce or modify any fee set forth in the report filed by the Public Works Department or overrule any or all objections, and shall make its determination upon the fee as described in that report. Should the owners of a majority of the separate parcels of real property described in the report object to the report, the report will not be adopted and the fee described in the report will not be collected with the County's property taxes or invoiced; otherwise, the Board of Supervisors may order the report filed with the Kern County Auditor-Controller-County Clerk, who will enter the amounts of the fee against the respective parcels of residential real property as they appear on the assessment roll.

The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action will not have a significant effect on the environment and the action is statutorily exempt from further CEQA review per Public Resources Code Section 21080(b)(8) and Sections 15061(b)(3) and 15273 of the California Environmental Quality Act Guidelines. Complete copies of the proposed Ordinance and the report filed by the Public Works Department are on file for inspection with the Clerk of the Board of Supervisors, Fifth Floor, 1115 Truxtun Avenue, Bakersfield, California. Alternatively, you may request copies by calling the Public Works Department at (661) 862-8900 or by making a request via email at waste@kerncounty.com.

Anyone wishing to present evidence or be heard regarding this matter may appear at the hearing of this matter or any continuation thereof. If you challenge the action taken by the Board of Supervisors on this matter in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the public hearing.

Panel starts to review Shafter charter

From Page 1
City officials and employees, land use and development, acquisition and establishment of municipal parks, and the imposition of a license tax on local businesses.

The growth of the city was a discussion at the beginning of the meeting. The committee asked what the population of the city of Shafter when the charter was created, compared to today. City Manager Gabriel

Gonzales said that the population at the time of the adoption of the charter was approximately 10,000. Currently, the city has a population of a little over 20,000 people, with growth expected. Gonzales said, "With the development of the Gossamer Grove area, Heritage Ranch, and another major development, the projection is a growth of another 10,000 people with a full build in those areas."

Articles of the charter reviewed Monday

night were the form of government, which for Shafter is a city manager/City Council government, with the council appointing the city manager and the mayor. Gonzales said that there is a different form of government, such as the "strong mayor" option, in which the mayor is the chief operating officer of the city and appoints the city manager.

From discussion, it was agreed that there will probably not be any discussion

on changing the city's form of government.

There was a question on the process of determining the compensation of City Council members, which now is set by the council. Gonzales said that there will be research on how different cities are doing to determine their council's compensation.

The committee will meet five times before the completion report will be filed with the city clerk.

The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action is exempt from further environmental review pursuant to California Environmental Quality Act Guidelines Section 15273 and Public Resources Code Section 21080(b)(8) because it is the establishment of operational rates and charges. Additionally, it has been determined that this action is exempt from further environmental review pursuant Guidelines Section 15061(b)(3) because it can be seen with a certainty that this action will not have a significant effect on the environment.

PET OF THE WEEK

Introducing Tarzan

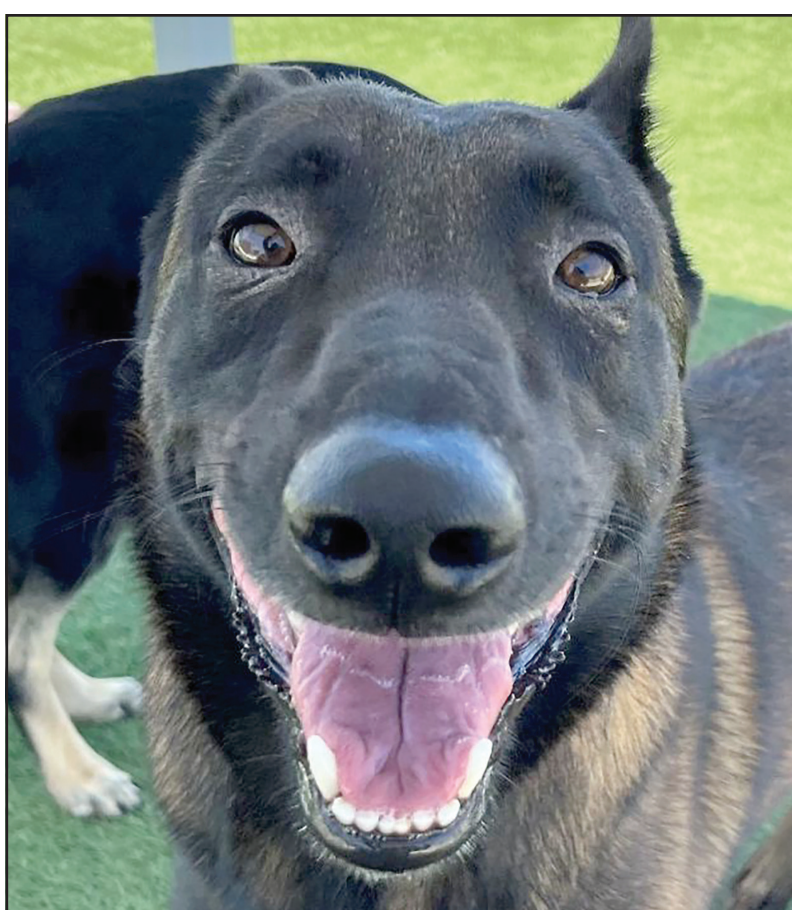

Tarzan came into the Wasco Animal Shelter as a stray. He is approximately a 2-3-year-old male Belgian malinois. He is great with staff and has been tested with large dogs only. At the time, it is unknown if Tarzan is house/crate trained. Dogs are not tested with children and cats; his behavior toward cats and children is unknown. Tarzan will be available for adoption on May 16.

Everyone is welcome to adopt from our facility, and we like to give everyone the same opportunity to adopt. Adopters can be from out of town and/or local. We do not place holds for adoptions. Adopters are responsible for transportation.

Adoptions are on a first-come, first-serve basis beginning at 8 a.m. on the date they are available. You are welcome to call us the day before their availability to ensure the pet is still for adoption.

Rescue is a nonprofit organization with a tax-exempt 501(c)(3). If you have never pulled from the Wasco Animal Shelter, please email us two references (vet preferably) and a copy of your 501(c)(3) form to eubarraza@cityofwasco.org.

AND RECYCLING SURCHARGE
FOR FISCAL YEAR 2022-2023

On the **28th day of June, 2022**, at the hour of 2:00 p.m., in the Chambers of the Board of Supervisors of the County of Kern, in the Kern County Administrative Center, located at 1115 Truxtun Avenue, Bakersfield, California, a Public Hearing will be conducted to consider the enactment of, and hear any objections to, an Ordinance establishing the schedule of Solid Waste Collection Charges and the Recycling Surcharge for Fiscal Year 2022-2023 for commercial property in Zone 1. The Board of Supervisors will also consider a Report filed by the Public Works Department titled "Commercial Zone 1 Solid Waste Collection Charges for Fiscal Year 2022-2023." Issues and recommendations in the report include the following:

- Describe the amount of the proposed service charge by container size for commercial properties in Commercial Zone 1 should the proposed Ordinance be enacted, and the Report approved;
- Maximum monthly rates for solid waste collection for Fiscal Year 2022-2023 in Commercial Zone 1 are to be set by container size as per Table A for commercial properties. This maximum rate includes the Solid Waste Administration fee which is charged on a per commercial unit basis and will be increased from \$0.40 to \$1.00 per commercial unit per month.
- Continue the Recycling Surcharge at the same rate as the prior year based on container size for one more year.

Any affected person may submit written protests to the Report. Written protests must be signed by the objecting party, indicate the subject property and be delivered to the Clerk of the Board of Supervisors prior to the conclusion of the public hearing.

Upon the conclusion of the hearing, the Board of Supervisors may adopt, revise, change, reduce or modify any charge set forth in the Report filed by the Public Works Department or overrule any or all objections, and shall make its determination upon each charge as described in that Report. Should owners of a majority of the commercial parcels described in the Report, object to the Report, the Report will not be adopted and the charges described in the Report will not be enacted and the rates will remain the same as the current fiscal year.

The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action is exempt from further environmental review pursuant to California Environmental Quality Act Guidelines Section 15273 and Public Resources Code Section 21080(b)(8) because it is the establishment of operational rates and charges. Additionally, it has been determined that this action is exempt from further environmental review pursuant Guidelines Section 15061(b)(3) because it can be seen with a certainty that this action will not have a significant effect on the environment.

Complete copies of the proposed Ordinance and the Report filed by the Public Works Department are on file with the Clerk of the Board of Supervisors, Fifth Floor, 1115 Truxtun Avenue, Bakersfield, California. Alternatively, you may request copies by calling the Public Works Department at (661) 862-8900 or by making a request via email at waste@kerncounty.com.

PUBLIC NOTICE
NOTICE OF HEARING AND
SUMMARY OF PROPOSED ORDINANCE
RESIDENTIAL NON-TAX ROLL BILLED
ZONE 1 FRANCHISE AREA 17
SOLID WASTE COLLECTION CHARGES
AND RECYCLING SURCHARGE
FOR FISCAL YEAR 2022-2023

On the **28th day of June, 2022**, at the hour of 2:00 p.m., in the Chambers of the Board of Supervisors of the County of Kern, in the Kern County Administrative Center, located at 1115 Truxtun Avenue, Bakersfield, California, a Public Hearing will be conducted to consider the enactment of, and hear any objections to, an Ordinance establishing the schedule of Solid Waste Collection Charges and the Recycling Surcharge for Fiscal Year 2022-2023 for residential property in Zone 1 Franchise Area 17 that is not located within any Universal Collection Area. This Ordinance will establish a schedule of service charges for all residential properties with four or less units. Property owners in this area are not required to subscribe to the service of the franchise hauler, but if they do so, these charges will apply. The Board of Supervisors will also consider a Report filed by the Public Works Department titled "Residential Non-Tax Roll Billed Zone 1 Franchise Area 17 Solid Waste Collection Charges for Fiscal Year 2022-2023." Issues and recommendations in the report include the following:

- Designate the use of each parcel of real property in the Residential Non-Tax Roll Billed Zone 1 Franchise Area 17 as residential or non-residential;
- Describe the amount of the proposed service charge for each parcel of real property in the Residential Non-Tax Roll Billed Zone 1 Franchise Area 17 should the proposed Ordinance be enacted, and the Report approved;
- Maximum monthly rates for solid waste collection for Fiscal Year 2022-2023 in the Residential Non-Tax Roll Billed Zone 1 Franchise Area 17 are set forth in the following table for residential properties of one to four units. This maximum rate includes the Solid Waste Administration fee which is charged on a per residential unit basis and will be increased from \$0.40 to \$1.00 per residential unit per month.

Residential Non-Tax Roll Billed Zone 1 Franchise Area 17 Hauler: American Refuse, Inc. Maximum Monthly Fees	Current Fee	Effective July 2022
Residential Service per unit*	\$23.62	\$25.38
Blue Cart Recycling per unit**	\$7.42	\$7.79
Green Waste Service per unit**	\$8.33	\$8.74
Recycling Surcharge per unit	\$1.71	\$1.71

*Charges shown include the Admin Fee; which will be \$1.00 per month per unit.
**Recycling and Green waste service may not be available in all locations.

- Continue the Recycling Surcharge at a rate of \$1.71 per month per residential unit.

Any affected person may submit written protests to the Report. Written protests must be signed by the objecting party, indicate the subject property and be delivered to the Clerk of the Board of Supervisors prior to the conclusion of the public hearing. Upon the conclusion of the hearing, the Board of Supervisors may adopt, revise, change, reduce or modify any charge set forth in the Report filed by the Public Works Department or overrule any or all objections, and shall make its determination upon each charge as described in that Report. Should owners of either a majority of the separate parcels of real property or a majority of the separate parcels of residential real property described in the Report object to the Report, the Report will not be adopted and the charges for residential real property described in the Report will not be enacted and the rates will remain the same as the current fiscal year.

The Director of the Public Works Department has considered the environmental impacts of this action and concluded that this action is exempt from further environmental review pursuant to California Environmental Quality Act Guidelines Section 15273 and Public Resources Code Section 21080(b)(8) because it is the establishment of operational rates and charges. Additionally, it has been determined that this action is exempt from further environmental review pursuant Guidelines Section 15061(b)(3) because it can be seen with a certainty that this action will not have a significant effect on the environment.

Complete copies of the proposed Ordinance and the Report filed by the Public Works Department are on file with the Clerk of the Board of Supervisors, Fifth Floor, 1115 Truxtun Avenue, Bakersfield, California. Alternatively, you may request copies by calling the Public Works Department at (661) 862-8900 or by making a request via email at waste@kerncounty.com.

Anyone wishing to present evidence or be heard regarding this matter may appear at the hearing of this matter or any continuation thereof. If you challenge the action taken by the Board of Supervisors on this matter in Court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this Notice, or in written correspondence delivered to the Board of Supervisors at, or prior to, the Public Hearing.
